

PAGE 12 - STUCK ON AN ISLAND

Directions: You are stuck on an island. Brainstorm a list of recommendations to consider when developing a new government. What is the name of your new country?

1. How will you determine who is in charge?
2. How will you get everyone to stick together and to work towards the common goal of getting rescued?
3. How will you make sure that anyone who feels unfairly treated will have a place to air complaints?
4. How will you make sure that people can have peace and quiet?
5. How will you make sure that group members will help if outsiders arrive who threaten your group?
6. How will you make sure that the improvements you make on the island (*such as shelters, fireplaces and the like*) will be used fairly?
7. How will you make sure that group members will be free to do what they want as long as it doesn't hurt anyone else?
8. How will you make sure that the rules and organizations you develop are actually followed?
9. How will you ensure that the rules and organizations you develop ~~protect~~ future generations?
