

PAGE 29 – ISIDEWITH.COM

Directions: Use the website listed above to find who you align politically.

1. With which political candidate do you most closely align with politically? Second? Third? Who's last?
2. According to the results, which issues are most important to you? (top three)
3. Explain your ideology.
4. In one paragraph, describe your "political themes".
5. Which geographic areas most align with your political beliefs? Which areas are opposite? Is this surprising? Why or why not?
